

Family Education & Celebration

*for Missourians with Rare Disease or Chronic Illness
causing Special Medical Needs*

SPONSOR/EXHIBITOR INFORMATION

Along with raising awareness regarding the gap in proper emergency treatment protocols, seeing our legislation passed and specialized paramedic education created; we have to EDUCATE OUR CONSUMERS on their roles in their protection and safety!

*What better way to accomplish this than our very first "education" event for the entire family!
What better way to "celebrate" the EMS Protocol Bill passing than to include those families who are now protected along with the Governor, Legislators and State EMS Personnel who passed it!
What better way to top it off than adding an afternoon of safe and "fun" activities!*

"Having Emergency Plans"

At Home & Play ~ Work or School ~ In Travel

Sunday, September 3rd, 11:30 to 4:00 {setup @ 11:00}

Rolla, MO – Columbia College Satellite Bldg & The Zone (550 & 555 Blue Lake Parkway)
